Sri Santh S

Student at Knowledge Institute of Technology (KIOT)
Salem, Tamil Nadu, India

Summary

Excited to begin my journey in Computer Science at KIOT! Eager to delve into programming languages like Python and Java, and explore cutting-edge domains such as AI, cybersecurity, and blockchain. Looking forward to honing my problem-solving skills through hands-on projects and open-source contributions, while staying updated with the latest tech trends. Ready to network and learn from industry leaders to build a successful career in tech. Let's innovate and explore the future of technology together! #ComputerScience #TechEnthusiast #FutureInnovator

Education
